Who Presents To Small Groups

Introduces the **BA-280** Personal Voice Projector

Now you can be heard clearly and precisely anywhere, anytime with the new, simple to use, Chiayo BA-280 Personal Voice Projector. Simply charge up the supplied rechargeable batteries overnight with the recharger (included) and then you can confidently use it throughout the day or evening.

This powerful walkman size unit will clip onto your waist belt (we even include a belt in the package) front, side or back to allow you to talk to or lead a group of people anywhere, anytime. The flexible gooseneck style headboom microphone is easily adjustable to suit everyone and sits comfortably on your head. No more frustrations when you can't be heard, the Chiayo BA-280 Personal *go anywhere* Voice Projector takes the worry out of your verbal communication needs.

- ✓ Powerful Walkman Size Public Address System with On/Off Switch, Volume and Tone Controls and a Belt Clip.
- ✓ Comfortable Headboom Microphone with Adjustable Gooseneck and Popscreen.

Comes Complete with ...

- ✓ A set of rechargeable batteries;
- ✓ Mains powered recharger unit;
- ✓ And A Waist Belt.
